

The image features a stylized blue logo for "GFI GROUP" centered on a green background. The logo consists of the letters "GFI" in a bold, italicized font above the word "GROUP" in a similar but slightly smaller font. The background is a soft-focus green scene with a central plant stem and leaves. Several red ladybugs are visible on the leaves, and numerous water droplets are scattered across the foliage, creating a fresh and natural aesthetic.

STABILIZER

Arabic gum
Xanthan Gum

PRESERVATIVES

Sodium Benzoate
Potassium Sorbate

OTHER FOOD ADDITIVES

Sodium alginate
Sodium Erythorbate
Ascorbic Acid
TVP
Isolated Soy Protein
SAPP
STPP
Q10
Maleic Anhydride

CHEMICALS

Sodium Bicarbonate
EDTA Acid
Sodium Sulphate
Copper Sulphate
Caustic Soda
Sodium Gluconate
